Complete Turn-Key Avionics Solutions For Helicopters

Prepare your helicopter for the future

- ▶ **Integrated EFIS System**
- ▶ **Autopilot**
- ▶ **COM/NAV/GPS**
- ▶ **And more**

EC120B Complete Retrofit

In this Eurocopter EC120B, Scandinavian Avionics completed a total avionics retrofit, including:

- ▶ All required Certification and Documentation
- ▶ Complete EFIS Glass Cockpit Upgrade
- ▶ Autopilot System
- ▶ Navigation
- ▶ Communication
- ▶ Transponder
- ▶ GPS/Moving Map

Before & After

The customer required a complete modernization of the helicopter. The solution was an extensive modification including an EFIS glass cockpit upgrade with Moving Terrain Display, Primary Flight Display, AHARS, Altimeter, Vertical Speed Indicator and Airspeed Indicator. Furthermore, the installation included Navigation-, Communication- and Autopilot systems.

Complete turn-key solutions

Scandinavian Avionics provides complete turn-key solutions for your helicopter:

- ▶ Logistics & Parts Support
- ▶ Maintenance (MRO)
- ▶ Design & Engineering
- ▶ Certification
- ▶ Installation
- ▶ Training
- ▶ Product Development
- ▶ Consultancy Services

If you need more information or are interested in discussing your helicopter avionics requirements, please feel free to contact us.

Scandinavian Avionics provides complete turn-key avionics solutions, including avionics logistics and parts support, maintenance (MRO), certification, design & engineering, installation, product development, training and consultancy services with the primary business platforms being larger helicopters, corporate aircraft, regional airliners and defense electronics.

Scandinavian Avionics is the headquarters of The SA Group – an experienced avionics organization with divisions in Sweden, Norway, Greece, Malaysia, Bahrain and India. Since the foundation in Billund, Denmark in 1978, core values like quality, reliability and flexibility have been deeply rooted in the organization and are the main reasons for the excellent reputation among aircraft operators around the world today.
